

Cancellation and Booking/Reservation Policies

Simply Diving offer some of the most popular diving tours in and around the Costa del Sol, Costa Tropical and Costa de la Luz, and as such, all of our excursions are exclusive, reservations-only adventures.

To ensure that each and every one of our fellow divers has the chance to experience our excursions, we limit the number of guests on each of our tours - so make your reservations today!

Our secure credit card reservation system makes it easy.

Credit Card Safety for Internet Payments

Credit Card Safety for Internet Payments Simply Diving want you to feel safe when making a secure reservation online. For this reason we use Secure Socket Layer (SSL) technology through PAYPAL to encrypt your credit card and other sensitive information when you make reservations for our tours. The process of encryption prevents unauthorized individuals from viewing your information as it is securely transmitted over the internet.

Once received, your credit card information is not transmitted over the internet again.
